

**Recommended Computer Configuration (minimum)
2007 -2008**

All Human Sciences majors are required to have a laptop computer

Processor	At least 1.6 GHZ; Look for Intel® Core™ 2 Duo or AMD Turion™ 64 X2 Processors
Memory	2 GB
Hard Drive	60 GB
Optical Drive	CD-RW/DVD
Operating System	Windows Vista
Networking	10/100 Internal Network Card 802.11g Wireless Network Card
External Storage	2 GB Flash(thumb) drive or external hard drive (60 GB or larger recommended)
Office Suite	Microsoft Office (can be purchased from AU Bookstore with student ID)
Options	Consider purchasing a multi-year (3 year) warranty. Consider choosing an anti-theft option such as Lojack or Computrace by Absolute. Most laptop manufacturers offer an anti-theft option with multi-year subscriptions.

Tip: Auburn students can purchase software, such as the Microsoft Office Suite, through the AU Bookstore at a substantial educational discount. Some software, like virus protection, is provided to AU students free of charge. Check with the AU Bookstore before purchasing a software bundle with your new computer.

All CAHS majors must purchase Adobe Photoshop and Illustrator for their laptops.
All INDS majors must purchase AutoCAD as well.
