Professional Experience:

Sept. 2015 – present Clinical Associate Professor and Director of Family Child Care Programs, Department of Human Development and Family Studies, Auburn University

Coordinates and supervises all aspects of the Family Child Care Partnerships and Beginning Education Successfully Together Early Head Start Collaborative Partnerships Programs. Works with administrative team of eight on campus senior staff to fully implement both programs to standards of excellence; supports over thirty additional staff off campus in the field; provides majority of training and professional development support for all staff; develops materials, training, and program policies and procedures for all family child care programming in the department; interpret and apply results from data analyses and current research in relation to program implementation, improvement, and evaluation; develop mentoring curriculum in relation to Early Head Start Performance Standards, Family Child Care Environment Rating Scale - Revised (Harms & Clifford, 2005) and the National Association for Family Child Care accreditation guide books; with Department of Human Resources, Quality Enhancement Partner agencies, community representatives, and key stakeholders to facilitate project goals; collect information for and prepare quarterly progress and annual review reports to sponsoring agency; supervise student employees and practicum student assistance in project activities; develops and presents intermediate and advanced level trainings to early care and learning educators across the state; follows AU Human Resources procedures to initiate processes and fill position openings including creating job advertisements, selecting candidates, creating interview questions, conducting interviews, and hiring finalists for positions; follows AU Financial procedures to ensure compliance with Federal and state spending rules and regulations; manages a budget of over \$3.5 million/year; supports the implementation of a state-wide professional

development conference for family child care providers annually represents Auburn University and family child care in local, state, and national conferences and events.

Feb. 2015 – Aug. 2015 Interim Director of Early Head Start Collaborative Partnership Program (Beginning Education Successfully Together), Department of Human Development and Family Studies, College of Human Sciences, Auburn University

Coordinates activities of the on-campus Management Team and plans, implements, controls, and reports on-going project business related to the mentoring and family/community engagement and special services activities of field staff; works cooperatively with on-campus and field-based staff to identify and develop research-based educational materials and resources supporting up to 22 trainer/mentors/family & community engagement specialists working in the field with 80-100 family child care providers statewide; supervises and coordinates all content-related aspects of field work; interpret and apply results from data analyses and current research in relation to program implementation, improvement, and evaluation; develop mentoring curriculum in relation to Early Head Start Performance Standards and the National Association for Family Child Care accreditation guide books; with Department of Human Resources, Quality Enhancement Partner agencies, community representatives, and key stakeholders to facilitate project goals; collect information for and prepare quarterly progress and annual review reports to sponsoring agency; supervise student employees and practicum student assistance in project activities; develops and presents intermediate and advanced level trainings to early care and learning educators across the state; follows AU Human Resources procedures to initiate processes and fill position openings including creating job advertisements, selecting candidates, creating interview questions, conducting interviews, and hiring finalists for positions; coordinates statewide conference and professional development activities for providers and staff participating in this program.

2000 – Present Managing Director (promoted from Program Coordinator), Family Child Care Partnerships, Department of Human Development and Family Studies, College of Human Sciences, Auburn University

Coordinates activities of the on-campus Management Team and plans, implements, controls, and reports on-going project business related to the mentoring activities of field staff; works cooperatively with on-campus and field-based staff to identify and develop research-based educational materials and resources supporting up to 22 trainer/mentors working in the field with 200-250 family child care providers statewide; supervises and coordinates all content-related aspects of mentoring field work; interpret and apply results from data analyses and current research in relation to program implementation, improvement, and evaluation; develop mentoring curriculum in relation to quality standards printed in Family Child Care Environment Rating Scale - Revised (Harms & Clifford, 2005) and the National Association for Family Child Care accreditation guide books; conduct preliminary accreditation checks on site visits and develop action plans addressing improvements for family child care providers seeking national accreditation; collaborate with Department of Human Resources, Quality Enhancement Partner agencies, community representatives, and key stakeholders to facilitate project goals; collect information for and prepare quarterly progress and annual review reports to sponsoring agency; supervise student employees and practicum student assistance in project activities; develops and presents intermediate and advanced level trainings to early care and learning educators across the state; follows AU Human Resources procedures to initiate processes and fill position openings including creating job advertisements, selecting candidates, creating interview questions, conducting interviews, and hiring finalists for positions; coordinates statewide conference activities.

2013– Present Collaborative Partner on Research Initiatives, Department of Human Development and Family Studies, College of Human Sciences; Auburn University

Provides professional support and guidance for intra- and extra-mural research grant opportunities in support of family child care providers around the state. Partnerships with Dr. Onikia Brown in the Nutrition and Dietetics Department at Auburn University have resulted in funded research programs as well as proposed grants, papers, and conference submissions.

2005 – Aug. 2015 Visiting Assistant Professor, Department of Human Development and Family Studies, College of Human Sciences; Auburn University

Provides guest lectures for Current Issues in Human Development and Family Studies each semester and taught Parent Education course. Supervises interns and students enrolled in practicum or service learning hours in their work with the Family Child Care Partnerships Program. Available to teach any of the following courses: Child Development in the Family; Development of Interpersonal Skills; Effective Guidance of Children; Learning Experiences for Young Children; Parent Education; and Program Development and Evaluation.

2000 – 2001 Research Assistant. Department of Human Development and Family Studies, Auburn University

Supervised graduate and undergraduate students involved in the classroom protocols and data collection process. Assisted in recruiting participants (both child care centers and individual clients of those centers), training graduate research assistants in data collection procedures, and data collection in preschool classrooms. Developed data collection instruments and techniques. Coded, entered and analyzed data.

1999 –2000 Instructor, Department of Human Development and Family Studies, Auburn University

Taught course in child care experiences (HDF 347). Topics included developmental education and developmentally appropriate practice. Supervised all undergraduate students at the Auburn University Early Learning Center young preschool morning classes. Assisted teaching 2, 3, and 4-year olds at the Auburn University Early Learning Center (a NAEYC accredited facility) 4 mornings per week. Developed lesson plans, supervised undergraduate lab students, worked with parents, facilitated all activities.

1999 Teaching Assistant. Department of Human Development and Family Studies, Auburn University

Lectured on a variety of topics in infant development including prenatal development, brain development, and early infant cognitive development.

1998 Teaching Assistant. Dept. of Human Development and Family Studies, Auburn University

Lectured on a variety of topics in early childhood development including social, emotional, physical, and cognitive development from toddlers to elementary age children.

1998 Instructor. Department of Human Development and Family Studies, Auburn University

Taught principles and practice in family resource management. Topics included time and money management, balancing work and family, values, and learning styles.

1997 Teaching Assistant. Department of Human Development and Family Studies, Auburn University

Lectured on topics related to family resource management including balancing work and family and time management.

1996 Research Assistant. Department of Human Development and Family Studies, Auburn University

Co-wrote two county reports for Extension specialists. Data entry, cleaning, and interpretation for the Alabama Teen Assessment Project.

1996 - 1999 Research Assistant. Department of Human Development and Family Studies, Auburn University

Supervised undergraduate students involved in the data collection process and classroom procedures. Recruited participants (both child care centers and individual clients of those centers), interviewed 3 and 4 year olds, assessed classroom environments teacher-child relationships. Coded, entered, and analyzed data.

1995 - 1997 Teaching Assistant. Department of Human Development and Family Studies, Auburn University

Graded essays, completed grade analyses, and assisted students in meeting course requirements through individual consultation for marriage and family course.

Additional Professional Experience:

2008 -- Present Senior Partner in Family & Home Solutions Consulting Group, LaGrange, GA

Provide private consulting work in support of all aspects of family and home management including parenting, selecting high quality child care, advocacy for children in public school settings, administrative assistance for programs working with families and child care providers.

2010 – Present Accreditation Council Member. National Association for Family Child Care, Salt Lake City, UT

July 2016 – Co-Chair of Council

Co-chair of Council responsible for co-facilitating monthly meetings and work of the Council. Current chair of standards realignment project, research committee, and ratios/group size committees. Past chair of training policy committee. Provide professional expertise, advice, and support to NAFCC staff and other Council members about accreditation policies and procedures. Leading the Council, NAFCC Board,

and staff through the Conduct reviews of the literature, provide suggestions for research initiatives, educate members on scientific research principles and methodologies, and help support garnering external support for agreed upon research initiatives. Assist NAFCC at Institute/Conference with Tribute to Family Child Care event, accreditation matters, and more.

2012 –Present Conference Committee Member. National Association for Family Child Care, Salt Lake City, UT

Lead state contact for 2017 NAFCC Conference being held in Mobile, AL, July 19 -2 2, 2017. Accreditation Celebration Committee Chairperson. Planned, organized, and provided on-site supervision for an evening gala event “Tribute to Family Child Care” at the annual NAFCC conference (2013 & 2014). Tasks included planning the event start to finish, coordinating on-site support, secured entertainment, finalized food decision, developed and managed budget, developed timeline and MC script, finalized decorations (including hands-on decorating prior to event), created and produced program, secured gifts for accredited providers, and provided on-site management and execution of “the best ever” celebration event. Provide specific input and decision making related to the Accreditation Celebration, pre-conference sessions, and full-conference workshop session. Reviewer for general conference workshop submissions.

1999 – 2000 Extension Assistant. Department of Human Development and Family Studies, Auburn University

Assisted with the formation, invitation, and facilitation of the Family Child Care Summit sponsored by the Jesse Ball DuPont Foundation. Developed, collected, and summarized surveys and monitored progress on efforts to create a state-wide clearing house of child care information and support for providers and the public.

1997 –1999 Chair, Board of Directors. First Presbyterian Child Development Center, Auburn, Alabama

Supervised and provided training for center administration and staff. Provided programmatic advice and assistance regularly. Conducted parent-teacher-director conferences. Educational topics included developmentally appropriate practice, principles of child development, parent education, and quality child care to promote healthy learning environments. Developed curriculum and lesson plans. Edited monthly newsletter for parents. Provided parent education for clients. Supervised Auburn University and Auburn High School students participating in practicum sessions on site.

1999 Conference Coordinator. Transition to School Conference. Department of Human Development and Family Studies, Auburn University

Organized conference funded by the National Science Foundation to promote research and awareness of issues surrounding the transition to school. Made all conference arrangements (food, lodging, travel, venues for meetings and evening events) for presenters and attendees (both continental and international) and organized the program and conference presentations and discussion sessions. Assisted senior faculty in conference follow-ups such as post-conference budget and administrative issues and compiling summaries of the discussions sessions and conference evaluations.

1994 -1995 Information Clerk. College of Arts and Sciences. University of Georgia.

Provided grade change and graduation information procedures to undergraduate and graduating seniors. Scheduled appointments. General clerical duties adhering to University guidelines.

1993 -1994 Office Assistant. Employee Benefits. University of Georgia.

Performed secretarial, receptionist, and clerical duties for this office. Learned the employee benefits system including all aspects of health, dental, life, and disability insurance programs offered by the University in order to assist employees with information requests.
