BUSINESS MINOR
FOR NON-BUSINESS MAJORS

The Business Minor consists of 15 hours of coursework designed to teach core business principles to non-business majors.

Auburn University minor policies
Courses completed to satisfy a university core requirement (e.g. ECON 2020), the school/college core curriculum, or a major requirement (e.g. counting toward the GPA “in the major”), may not be used to fulfill a minor. Supporting course work may be used in satisfying the requirements for a minor if a minor is not required by the academic major. No more than 6 or the 15 required hours can be completed at another institution.
Students must earn a minimum overall grade average of 2.0 on all course work in the minor.

COURSE REQUIREMENTS:
