EDUCATION

University of Florida, Gainesville, Florida

Ph.D. 2014

Major: Health Education & Behavior

College of Health & Human Performance

Specialization: Health Behavior

Dissertation Title: Assessing Risk Behaviors Associated with Disordered Eating Behaviors

Chair(s):

Dr. Christine Stopka, Professor

Dept. of Health Education & Behavior, University of Florida

Dr. Beth Chaney, Assistant Professor

Dept. of Health Education & Promotion, East Carolina University

Committee:

Dr. Virginia Dodd, Associate Professor

Dept. of Community Dentistry & Behavioral Sciences, University of Florida

Dr. Don Chaney, Department Chair, Associate Professor

Dept. of Health Education & Promotion, East Carolina University

Dr. Morgan Pigg, Professor

Dept. of Health Education & Behavior, University of Florida

Coursework Included: Introduction to Social Marketing in Health, Principles and Philosophies of Health Education, Patient Education, Research Methods of Health Education, Holistic Health, Health Education Program Planning, Theories of Health Education, Multivariate Statistics, and Survey Design

University of Florida, Gainesville, Florida

M.S. 2009

Major: Family, Youth, and Community Sciences

College of Agriculture and Life Sciences

Specialization: Youth Development

Thesis Title:

Association Between School-Based Sex Education Content and Contraceptive Use Among Sexually Active Emerging Adults

Chair: Dr. Rosemary V. Barnett
Professor of Youth Development and Public Policy
Dept. of Family, Youth, and Community Sciences, University of Florida

Committee: Dr. Larry Forthun
Associate Professor of Human Development
Dept. of Family, Youth, and Community Sciences, University of Florida

Dr. Jeanna Mastrodicasa
Associate Vice President
Student Affairs, University of Florida

Coursework Included: Theories of Youth, Research Design/Methods, Public Policy, Advanced Research Design/Methods, Promoting Positive Youth Develop, Resilience/Positive Youth Development, Adolescent Problematic Behavior, Statistics in Research Methods I, and Professional Development I and II.

University of Florida, Gainesville, Florida

B.S.2007

Major: Family, Youth, and Community Sciences
College of Agricultural and Life Sciences
Minor: Education

Coursework Included: Principals of Sociology, Human Sexuality and Culture, Human Growth and Development, Parenting/Family Development, Statistics I, General Psychology, Microeconomics, Developmental Psychology, Contemporary Family Problems, Foundation of Youth Development, Urban/Rural America in Transition, Physical Activity for Secondary Schools, Evaluation of Family, Youth, and Community Programs, Physical Activity for Elementary Schools, Marriage and Family, Eating Disorders, Diseases of Eating, Child Growth/Development, and Family Financial Management
